

ELECTION OF CHAPTER ASSOCIATE MEMBER COMMITTEE CHAIR
APPLICATION FOR CHAIR

Statement of Interest:

It thrills me to have the opportunity to encourage and help associate members achieve the SRA and MAI designations, to help associate members grow, and to help associate members achieve success.

Why are you seeking the position of Chair:

I am a born problem-solver, something definitely needed in the position of Chair. Associate members will have a large variety of issues where they need assistance – a problem-solver will be the best choice.

Vision for the Committee:

I see the Committee as a resource center for the associate members working toward an SRA or MAI, with the Committee offering encouragement and resources/contacts for those members with questions about the designation process.
